

# California Communities Against Toxics 2005 Annual Environmental Health and Justice Conference

Palo Verde College, Blythe, CA  
December 9, 10, & 11

Join environmental justice activists from across the state to learn about the latest environmental justice and environmental health issues!

Workshops on: Community Organizing, The Rise of the Nuclear Industry, Toxicology for Community Activism, How to Get and Use Government Documents, Environmental Impacts of Goods Movement, Media Training, Contaminated Sites: Perils and Promise, Investigating Disease Clusters in your Community, Greening Schools, and many others.

For more information or to register, please contact Cynthia Babich at 310-769-4813 or email her at [pemodog@aol.com](mailto:pemodog@aol.com). Please register so we know how many people are coming and how many meals to prepare. Visit [www.stoptoxics.org](http://www.stoptoxics.org) to view the conference program and more details.
